Benefits of accepting Bitcoin Cash

Save Money

Merchants pay 3-6% to the credit company. You know that is a lot of money! With Bitcoin Cash, it costs you only 0 to around 1.5%.

New Customers & Free Marketing

A growing number of customers are choosing Bitcoin Cash as a preferred payment method. Plus, you get free marketing from listing in website and app directories.

Safe

(Zero chargebacks)

Every payment in Bitcoin Cash is permanent, so unlike with credit card chargebacks, you have the right to make refunds at your own discretion.

Get Paid Immediately

Bitcoin Cash payments are received in seconds, ready for you to save, spend, or convert into your local currency.

BE THE PIONEER

Cryptocurrencies are the
future money.

Be one of earliest shops
to accept crypto, so you
are 100% ready when the
crypto goes mainstream!
